

NantHealth to Participate at the 2021 Jefferies London Healthcare Conference

November 4, 2021

MORRISVILLE, N.C.--(BUSINESS WIRE)-- NantHealth, Inc. (NASDAQ-GS: NH), a leading provider of enterprise solutions that help businesses transform complex data into actionable insights, today announced that the company will participate at the 2021 Jefferies London Healthcare Conference.

Management plans to host virtual one-on-one and small group meetings with institutional investors on November 18 and 19, 2021. For additional information or to schedule a meeting with NantHealth management, please contact your Jefferies representative.

About NantHealth, Inc.

NantHealth, a member of the NantWorks ecosystem of companies, provides enterprise solutions that help businesses transform complex data into actionable insights. By offering efficient ways to move, interpret and visualize complex and highly sensitive information, NantHealth enables customers in healthcare, life sciences, logistics, telecommunications and other industries to automate, understand and act on data while keeping it secure and scalable. NantHealth's product portfolio comprises the latest technology in payer/provider collaboration platforms for real-time coverage decision support (Eвити and NaviNet), and data solutions that provide multi-data analysis, reporting and professional services offerings (Quadris). The OpenNMS Group, Inc., a NantHealth subsidiary, helps businesses monitor and manage network health and performance.
